

Find the Central Idea!

Directions:

Write down a television show or movie that you know well:

Write down the show's central idea
(remember topic + what the show says about the topic):

What literary element or device would you use to prove that this is an acceptable central idea (ex. Characterization, conflict, setting, etc.):

Give 3 specific examples of that literary element or device from the show that you could use to prove your central idea.
