Hi Anita,

I'm going to tell you about my city, New York. I love living in New York because there are always exciting activities to do at the weekends. Last Saturday, we went to a ¹ _____ on Broadway to watch a show, and we had a fantastic time. On Sunday, we saw my favourite football team, the New York Giants, at the ² _____. It was a great game! Then, we went to a ³ _____, and I had a burger. Of course, I don't go to a show and a football match every week! It was my birthday, so it was a special weekend.

And your visit is going to be a special weekend, too! I'd like to go skating at the ⁴ _____ and to see the fish at the ⁵ _____. There's a great art ⁶ _____ in my street, too. We can go and see some famous paintings there. We can also take a ⁷ _____ on the Hudson River and go and see the Statue of Liberty. So, there are lots of things to do! It's easy to travel around New York on the ⁸ _____, but you can't see anything. You can see lots of things on the ⁹ _____, but it's very slow, because there are lots of cars in New York and yellow ¹⁰ _____!

Anyway, write and tell me what you want to do in New York!

Bye,

Max
