➤ Right or wrong

Posters were very important in wartime propaganda.

☐ Right

☐ Wrong

Carrots improve your eyesight and help you see in the dark, that is scientifically proven.

☐ Right

☐ Wrong

The British government encouraged the population to eat carrots because they had produced loads of them.

☐ Right

☐ Wrong

John Cunningham, an RAF pilot, ate lots of carrots, that's why he shot so many German planes during the Blitz.

☐ Right

☐ Wrong

We know for sure that the propaganda about carrots kept the Germans from discovering onboard radars.
