My birthday party

It is my birthday on Monday and I am going to have a party on Saturday at my place. There is going to be a lot of food and drink. There is going to be a DJ too. We are going to dance a lot and Mum is going to install Singstar on our Playstation. So we are going to have a music competition in the afternoon. Dad is going to barbecue for us and Grandma is going to bake a big cake for my party too. Peter and Jane are going to come too. They told me yesterday. They are going to bring their best CDs with them. At midnight there is going to be a special surprise.

Task 8b: Write your own text. Say what you are going to do at your party?
