

Functional Language: Quoting figures in a presentation

Match 1–8 with a–h to complete the sentences.

a	getting things right for the Chinese market.	e	our sales in other markets.
b	a lot more marketing in Europe and in the USA.	f	by 25 percent.
c	show how much we've sold this year.	g	30 percent of our products are going to China.
d	to over 500 items sold every week.	h	twice as much as we forecast.

- 1 Have a look at these figures, which
- 2 As you can see, sales are up
- 3 To put that in context, that's almost
- 4 To give you an idea of how much that is, it comes
- 5 Perhaps the most surprising thing is that over
- 6 The key takeaway here is that we are
- 7 In summary, what we need is to increase
- 8 This clearly means that we need to be doing
