

**Chris:** Hey, Bridget! Where are you going?

**Bridget:** Hi, Chris. I'm on my way to buy a **pet**.

**Chris:** What are you talking about? What is a virtual pet?

**Bridget:** Well, my mum says I can't have a real dog so I am going to get a **one**.

**Chris:** A computerised dog?

**Bridget:** Yes, Chris, I'm going to buy a **puppy**, name it, feed it, and train it. All I have to do is **press** on the gadget!

**Chris:** So when your virtual dog is hungry, you press a button that shows you are feeding it?

**Bridget:** Exactly! There is a button for walking it as well. It will be like having a real dog because you have to **take** **of** it every day.

**Chris:** Oh, **come** **it**! It won't be like a real pet because it won't **you** any **affection**!

**Bridget:** Well... You **have** a **there**. Still I like the idea.
