

Fecha: _____

Tema: Orden de operaciones y multiplicación de decimales.

I. Sustituye las variables por su valor y luego resuelve las operaciones.

Three cartoon children are shown, each wearing a face mask and holding a sign. The child on the left is a boy with dark hair, wearing a green mask and holding a sign that says $m = 4.5$. The child in the middle is a girl with dark hair in pigtails, wearing a red mask and holding a sign that says $n = 3.8$. The child on the right is a boy with dark hair, wearing a green mask and holding a sign that says $p = 2.05$.
