Read the text and underline the main idea.</p> <p>Vincent Van Gogh was famous for his beautiful paintings. One interesting thing about this painter is that he cut off his left ear. In 1888, Van Gogh was living in The Yellow House in the south of France. While he was staying in that house, he painted The Sunflowers. Later, he met painter Paul Gaugin. They were working and living together for some time, but they were always fighting, so Gaugin decided to return to Paris. Some people say that Van Gogh did not want Gaugin to leave, and they had a big fight. When his friend left, Van Gogh cut his ear with a razor.</p> <p><small>Retrieved from: http://bit.ly/2PLvOoD</small></p>
