

Quiz Time

1. Match the personality types with a descriptive adjective.

Personality Type	Adjective
3 a. investigative	1. practical
1 b. realistic	2. creative
4 c. conventional	3. curious
2 d. artistic	4. careful

2. Group the words in the Word Bank according to the preposition that normally follows them.

in	at	about
interested	good	curious
specialize	terrible	serious

Word Bank

- curious
- terrible
- good
- interested
- serious
- specialize

3. Complete with the correct verb form.

My girlfriend is studying industrial design. She loves both (a. *to design/designing/both*) furniture and hopes to start (b. *to start/starting/both*) her own business one day. She wants to sell (c. *to sell/selling/both*) what she makes. The only problem is that she really dislikes managing (d. *to manage/managing/both*) her accounts so I suggested hiring (e. *to hire/hiring/both*) an accountant to help.

4. Listen to people talk about their personalities and match them with their corresponding photo.

5. Circle the best option.

- a. Remember that exam I was studying for? Well I fell behind / passed with flying colors.
- b. Jenny is definitely cut out for / drop out being a social worker. She loves to help people.
- c. Going on vacations last week made me drop out / fall behind with all my work.
- d. Did you know that Shane dropped out / fell behind of university? He changed his mind and decided to become a chef.

Self-Evaluation

Now I can...

- talk about different personality types.
- talk about different professions.
- use the gerund or infinitive verb patterns.

Very Well	OK	A Little
