→ Read about Emma's routine. Are the sentences true (T) or false (F)?

I'm from Scotland. I'm married to Ian and we have two children. We live in a modern flat in the centre of Edinburgh, the capital city. I have a very busy life. I get up every morning at half past six and I make breakfast for the family. I leave the house at a quarter to eight and take the children to school by car. Then I drive to my office. I'm a director in an international company. I like my job very much and I like the people I work with. At lunchtime I meet friends or I go to the gym but sometimes I don't have time for lunch and then I stay in the office. I finish work at six o'clock and get home at a quarter past six. Ian doesn't work every day so when he's at home he makes supper and we eat at seven o'clock. He's a very good cook! In the evenings the children do their homework and we watch television or a DVD.

Hi, my name's Pavel and I'm from the Czech Republic. I live in Brno and I'm an engineer. I'm thirty-four years old and I'm not married. I work from Monday to Friday but I have free time too!

On Mondays and Wednesdays I go to the gym after I finish work. On Tuesdays I usually stay at home and read my sports magazines or I watch a DVD. I love films. Then on Thursdays I play football with my colleagues from work and on Fridays I meet my friends and we go to a restaurant for dinner.

Sport is very important to me and in the winter I go skiing every weekend. I can ski very well. In the summer I go cycling and when it's hot I go swimming. I enjoy other things too … I love music but I can't play an instrument and although my friends say that I can't sing – I don't agree! I love food but I can't cook!

I check my emails every day so please write to me and tell me about your hobbies.
