#### Fashion and Music

I admire the American rapper Jay-Z for his hip hop music and his <sup>1</sup> trendy style. I think he performs really <sup>2</sup> well live, and he takes his music very <sup>3</sup> seriously. He's really into fashion too, and even has his own <sup>4</sup> brand called *Rocawear*. It features fashionable <sup>5</sup> clothing for the <sup>6</sup> youth, and it's become an <sup>7</sup> amazingly successful business for Jay-Z since its launch in 1999. The music artist is married to the famous singer Beyoncé, who is also a fashion icon, and together they <sup>8</sup> heavily influence the world of both music and fashion, and work really <sup>9</sup> hard to achieve their goals.
