

Someone You Loved

Lewis Capaldi

I'm going under and this time I fear there's no one to save me
This all or nothing really got a way of driving me crazy

1. Match the columns according with the lyrics:

1. I need somebody	() to say
2. Somebody	() to hold
3. Somebody	() to have
4. Somebody	() to know
5. It's easy	() to heal

But it's never the same
I guess I kinda liked the way you numbed all the pain

2. Complete the lyrics. All the words are prepositions.

Now the day bleeds (1) nightfall
And you're not here
To get me (2) it all
I let my guard (3)
And then you pulled the rug
I was getting kinda used(4) being someone you loved

I'm going (5) and this time I fear there's no one to turn to
This all or nothing way of loving got me sleeping (6) you

Now, I need somebody to know
Somebody to heal
Somebody to have
Just to know how it feels
It's easy to say but it's never the same
I guess I kinda liked the way you helped me escape

Now the day bleeds (7) nightfall
And you're not here
To get me (8) it all
I let my guard (9)
And then you pulled the rug
I was getting kinda used (10) being someone you loved

3. Complete the sentences, then number the paragraph from 1 to 7

And I (11) to (12) my eyes when it hurts
sometimes
I (13) (14) your arms
I'll be safe in your sound 'til I (15) (16) around

- () I was getting kinda used to being someone you loved
- () And you're not here
- () And then you pulled the rug
- () Into nightfall
- () I let my guard down
- () To get me through it all
- () For now the day bleeds

But now the day bleeds
Into nightfall
And you're not here
To get me through it all

I let my guard down
And then you pulled the rug
I was getting kinda used to being someone you loved (repeat 1X).
