

A major supermarket chain "Green world" is planning to charge shoppers who use plastic bags. Read comments posted on a website.

Use verbs in the box to complete the gaps.

plan use avoid take

"I think it's almost impossible to **avoid using** plastic bags when you go shopping. I always \_\_\_\_\_ a bag with me, but I usually forget." – Steve, Oxford.

pay refuse need think

"People \_\_\_\_\_ about the planet. We should all \_\_\_\_\_ for these bags and bring our own." – Sarah, Cambridge.

shop manage put go

"We all \_\_\_\_\_ every week. If we plan ahead, we can all \_\_\_\_\_ some bags in the car before we go to the supermarket." – Sam, London.

make raise keep on hope

"I think the problem here is that the supermarkets \_\_\_\_\_ a lot of money by selling bags. They \_\_\_\_\_ prices and everything is more expensive."

– Janet, Cardiff.

decide go threaten change

"The best solution is for everyone to \_\_\_\_\_ to another supermarket, then they will quickly \_\_\_\_\_ this stupid policy." – Andy, Chester
