Past Continuous – Minulý čas priebehový

Minulý priebehový čas používame, keď chceme vyjadriť, že **niekto bol uprostred nejakej situácie alebo deja v určitom čase v minulosti, a že trval dlhší čas.**

I was reading a newspaper.
We were eating breakfast at eight o´clock.
He was living in Paris in 1994.

Minulý čas priebehový použiješ aj v tom prípade, ak v jednej vete opisuješ činnosti, ktoré prebiehali v minulosti **súbežne v rovnakom čase**. Použiješ ho vtedy, keď opisuješ dva deje, kde jeden dej do druhého nezasahoval a obidva deje prebiehali **nezávisle od seba**. Tieto vety môžu, ale aj nemusia, obsahovať spojky **„while" (zatiaľ čo)**, alebo **"at the same time" (zatiaľ čo).**

I was reading a book while he was making dinner.
While I was washing the dishes, she was drying them.
We were playing computer games and at the same time you were watching a football match.

KLADNÁ VETA: Minulý čas priebehový tvoríme **pomocou slovesa „to be" v minulom čase a teda WAS a WERE + sloveso s koncovkou -ING**

I _____ **(watch)** TV last night.

ZAPORNÁ VETA: Vytvoríme zápor od slovesa was/were a pridáme -ing formu slovesa.

We _____ **(dance)** at seven o´clock.

OTÁZKA: Otázku tvoríme zmenou slovosledu, pomocou was/were.

_____ he _____ lunch at three o´clock?
