

1. She is afraid of needles, so she can't **get up to** going to the dentist.

2. We were so delayed by the flight that we **got down to** things three

hours late.

3. It took me a week **to get over** the flu.

4. If I leave now, I will **get back to** my house by six o'clock.

5. In downtown New York it is useful **to get around** by Uber.

6. During the winter, the people **got by** eating only bread and water.

7. We should **get on with** the meeting after lunch.

8. It was a very long book, so it took me one month **to get through** with reading it.

To return	To finish	To find the courage	To continue
To travel around	To defeat/dominate	To start	To survive
