

# Your Favourite Song

Listen this song and fill the blanks.

Sing me your favourite \_\_\_\_\_  
translate for me as you go along  
So I can better \_\_\_\_\_  
How you want to be \_\_\_\_\_, how you want to be \_\_\_\_\_

\_\_\_\_\_ it up, you came in on a high tide  
Calling to court all my \_\_\_\_\_  
Letting it go, this wild untried emotion  
Say it \_\_\_\_\_ and say it clear

But you \_\_\_\_\_ we could talk from dusk till \_\_\_\_\_  
And \_\_\_\_\_ in my world would make sense  
Rewind the night, let's get lost from \_\_\_\_\_ until dawn  
\_\_\_\_\_ it here in the perfect tense

Sing me your \_\_\_\_\_ song  
translate for me as you go \_\_\_\_\_  
So I can \_\_\_\_\_ understand  
How you want to be loved, \_\_\_\_\_ you want to be loved

\_\_\_\_\_ it for me one more \_\_\_\_\_ now  
Make it as slow as you \_\_\_\_\_  
Word by \_\_\_\_\_, interpreting this emotion  
Share as much dear as you \_\_\_\_\_

But you know we could \_\_\_\_\_ from dusk till dawn  
And everything in my world would \_\_\_\_\_ sense  
\_\_\_\_\_ the night, let's get lost from dusk until dawn  
Pause it here in the perfect tense

\_\_\_\_\_ me your favourite song  
translate for me as \_\_\_\_\_ go along  
So I \_\_\_\_\_ better understand  
How you \_\_\_\_\_ to be loved, how you want to be loved.
