CRAZINESS AT WORK

It's amazing that we got anything done yesterday. Wendy started the meeting, and it was clear that most of us were ready to **get down to** business. But Chris and Brian kept **chatting away** about the basketball game they watched the night before. It took a couple of minutes before they **snapped out of** it and gave Wendy their attention. They listened for a while, but neither of them **came up with** any good suggestions when Wendy asked for ideas. Then Michelle made a joke about something and that **set** them **off** again. Chris and Brian wanted to share more jokes. Wendy was trying to get them to **settle down**, but she had to **step out** for a phone call. The group continued to brainstorm, while the two guys **goofed off**. I don't know why Wendy **puts up with** this kind of behavior. I guess it's because we actually had some good suggestions when she **came back** into the meeting room.
