(2 points each)**

Dear Mr. Gonzalez,

Please accept my apologies for the way we left your apartment. We know that we were supposed to leave it cleaner than when we arrived, but we didn't. I can promise you that it will never happen again.

I would like to explain why we didn't clean the apartment the way we were supposed to.

On the last evening of our vacation, we invited some friends we had met to the apartment. We were going to get together with them at the apartment and then go and hang out with them on the beach. However, things got very complicated. When our friends arrived, they told us that they had lost the keys to their apartment. So we told them that they could stay the night with us.

We had planned to get up very early in the morning and clean the apartment. But the alarm didn't go off and we overslept. Our friends were supposed to help us clean it, but they made up some excuse and left without helping us. We ended up cleaning the apartment on our own, and as you know, we did it very badly. We were going to throw away the trash but we didn't have time because we had to rush to the airport.

We had a great vacation in your apartment and we are already looking forward to coming back next year. In fact, we were going to ask you if we could book it again. However, we realize that you might not want to rent it to us again since we messed up. We understand if you go ahead and keep some of our deposit money.

We are truly sorry for the inconvenience we have caused and hope that you accept our apology.

Kind regards,

Emilio Ballesteros
