

### Imagine - John Lennon

Imagine there's no **heaven / illusion**  
It's **easy / difficult** if you try  
No hell below us  
Above us, only **stars / sky**  
Imagine all the **people / animals**  
Livin' for **tomorrow / today**

Imagine there's no **countries / cities**  
It isn't hard to **do / be**  
Nothing to kill or die for  
And no **greed / religion**, too  
Imagine all the **people / children**  
Livin' life in **peace / war**

You may say I'm a **dreamer / teacher**  
But I'm not the only one  
I hope someday you'll join **us / them**  
And the world will be as **one / two**

Imagine no possessions  
I wonder if you **can / have**  
No need for greed or hunger  
A brotherhood of **woman / man**  
Imagine all the **children / people**  
Sharing all the world...

You may say I'm a **dreamer / teacher**  
But I'm not the only one  
I hope someday you'll join **us / them**  
And the world will be as **one / two**
