Date: _____

Text 2 **A** **Read the postcard.**

Dear Grandma,

I am on Freddy's Farm now. It is fun.

Farmer Freddy has a lot of animals. He has eight ducks and ten hens. He has a big fat pig and nine piglets. The piglets are very small. They are very cute. He has two cows and two donkeys. Donkeys are like horses but they are smaller. They have long ears and short tails.

We are now eating fruit on the farm. I like strawberries. I have twenty strawberries in my basket. They are sweet. Dad has eighteen blueberries. They are sour. Mum has a peach. It is juicy. She has juice on her face and her hands!

See you soon.

Love,

Danny
