Naim, a caretaker at the Orangutan Rehabilitation Centre, dedicates himself to caring for the orangutans. He is responsible for their (21) \_\_\_\_\_ as well as their physical and mental development. His job supports the centre's mission of conservation as it offers a safe (22) \_\_\_\_\_ for those affected orangutans. This includes teaching the orangutans survival skills, through a step-by-step (23) \_\_\_\_\_ to live in the wild. He also enjoys creating fun activities to keep them (24) \_\_\_\_\_.

To prevent the orangutans from being too dependent on humans, a (25) \_\_\_\_\_ is developed to cut down on direct contact caretakers have with them. As orangutans are delicate animals, tight (26) \_\_\_\_\_ are applied to prevent infections. Despite the challenges, Naim and other caretakers are grateful as the centre offers support to manage their (27) \_\_\_\_\_.

For Naim, his experience of seeing an orangutan's positive changes and being able to go back to its (28) \_\_\_\_\_ was fulfilling. With this, he thinks it is crucial to spread (29) \_\_\_\_\_ to the public so everyone can join the mission together. For him, every little (30) \_\_\_\_\_ of an individual will secure a brighter future for the orangutans.
