Learning Out of School

Where did you go?
What did you see?
We went to the zoo, we saw a play,
We had a great time!

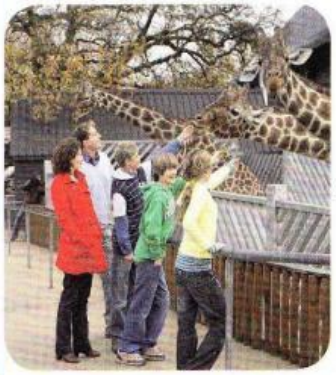

I like going on school trips
Learning out of school.
We go to lots of places.
They're interesting and cool!

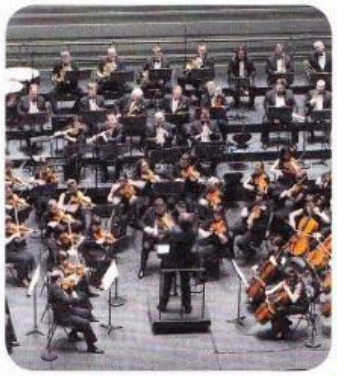

School trips. School trips.
They're a lot of fun.
School trips. School trips.
Let's go on one!

Aquarium, theatre, concert hall and zoo,
We saw some great things.
There was lots to do!
