LIVEWORKSHEETS

My name's Leandro and I live with my wife Bruna and our three children in Oregon.

We have two sons, Gabriel who's 17 and studying at high school, and Sebastian who's 14 and he's starting high school in September. Our daughter Bella, the youngest, is 7 and she goes to elementary school.

My wife Bruna is a dentist and she works very hard. Bruna and I met in college and we've been married for 18 years. I'm a photographer and I take sports photos for a marketing and advertising agency. I've had a few different jobs and I've changed jobs many times. I've worked as a project manager and as a receptionist. Being a photographer is much more creative and I think it's probably the best job I've ever had.

I love traveling but I've never traveled to another country. When I was younger, I was afraid of flying and so my parents never took us on vacations outside the USA.

This summer things are going to be different. We're going to go on vacation to Jamaica. It's very exciting! We're staying for a few days in Kingston and then we're going to stay in Montego Bay. We've been very lucky because my boss has an apartment in Montego Bay and he's lending us the apartment for two weeks, so we can save some money!

The kids are very excited! Gabriel has saved money to buy new sneakers and sunglasses for the trip and Sebastian is organizing things for the flight. I think he's already downloaded three movies for the flight!

2. What jobs has Leandro had?
