CULTURE. SHOPPING

Read the text (Prepare 6, p. 62)

Sort the following statements according to which shopper they apply to. Write the names

1. I shop at a mall because it is near my house and I can walk or cycle there.
2. I love going shopping in Dublin and I really love Camden Street.
3. I go with my mum and dad to the street market to get fresh fruit and vegetables.
4. I haven't got a lot of pocket money, so I need to shop carefully.
5. I like listening to music and there is an excellent choice of technology stores in the mall.
6. The food at the market is from local farms and my parents say the prices are great.
7. I love cooking and once a week, I go to the street market.
8. One way I save money is shopping at charity shops.
9. I don't have a lot of pocket money, but I don't mind because I can look at things in different shops and go window shopping!
10. We buy special acacia honey at the street market for making sweets.
11. We also like drinking milk with honey on cold winter days.
