Tea Tree Eco-Resorts Set to Open in Mexico by Year's End

By Consuela Hidalgo

International hotel chain Tea Tree Eco-Resorts is in the final stages of building a 22-acre resort on Mexico's Mayan Riviera. The first visitors are expected to arrive by December 21. Like other Tea Tree Eco-Resorts in the Philippines, Thailand, and Greece, the new hotel will be as eco-friendly as possible. "We have solar panels generating electricity and heating the water, for instance. Furthermore, none of the local farmers

from whom we source our ingredients for regional specialties, such as pork wrapped in banana leaves and citrus-marinated chicken soup, use any chemical pesticides at all," said general manager Jose Perez. The plan is for the facilities to be built around naturally growing trees and plant life, with structures blending in with the jungle. Further details can be found at www.teatreeecoresorts.com/mexico.

COMMENTS:

My wife and I were interested in a sailboat tour but were informed that the boat only held 24 passengers and was full. So, we inquired about a trip to the Mayan city, but it was also completely booked. Thankfully, we managed to go on the January 19 outing and enjoyed it very much. I recommend that more seats be available for trips, especially during high tourist season.

Thank you for your time!

February 4

Dear Ms. Montessori,

As you are probably aware, my contract will expire at the end of March. We have already discussed my plan to retire, so hopefully this does not come as a surprise. This letter serves as official notification of my intention to step down as the company's vice president of finance. I would be happy to stay on for an additional month to train and assist any replacement you choose.

I have truly enjoyed my time with Homestead Properties and appreciate all the support I've been provided over the years. I will miss working with my wonderful colleagues, but I will stay in touch.

Thank you very much for all the opportunities you and the board of directors have afforded me.

Sincerely,

Edward Grainger

SUBJECT Party preparations
DATE March 12

Hi Florence,

You've likely heard the news about Mr. Grainger. I would like to organize a dinner party in his honor. You did such a wonderful job of planning our awards dinner last fall, and I was wondering if you'd be willing to take care of the arrangements for this event as well.

We plan to spend up to \$6,000 on the party's location. The board and I will take care of the gift. The date would be March 27, which is a Friday. I can send you a list of people we would like to invite later today. I imagine 50-60 people will be attending. As before, the company is happy to offer you an extra \$500 on your next paycheck as compensation. Please let me know if you're interested as soon as possible.

Regards,

Elizabeth Montessori

Thank you for showing me the three apartment units this morning. I'm interested in renting the one on Mapleton Street. I understand that the owner needs a reference prior to signing any agreement. He is free to contact Miranda Chase at mirandach@verymail.com. She's the proprietor of the studio apartment I currently rent in Tanner Hill Condominiums. NOTICE: All Tenants

Tanner Hill Condominiums' underground parking facility will undergo resurfacing this week. The work will begin on Monday, May 30, and last until Friday. The facility will be inaccessible not only during this time but also on the weekend as the concrete requires time to set properly. Tenants may once again park their vehicles in the garage on Monday, June 6.

Tenants should move their vehicles one day before the work begins, to the Downtown Parkade located across the road at 168 Beauregard Avenue. Simply pick up a temporary pass from the facility's ticket office, and display it on your vehicle's windshield.

We apologize for any inconvenience and disturbance the work may cause. For more details, contact the building's administrative office at 555-4958 during its operating hours of 8 A.M. to 4 P.M., from Monday to Friday.
