CANADA

Hello! My name is Alison Crowley. I'm fifteen years old and I live in Winnipeg. Winnipeg is a big town in the centre of Canada. Most people live in the south of Canada because it's very cold in the north. There are high mountains and flat plains in the north. Canada has got a lot of big lakes and long, icy rivers. Canada is famous for its ice hockey. We have long, cold winters so lots of kids play hockey. They usually play on frozen lakes. I think ice hockey is all right, but my favourite sport is athletics. I run the 400 metres and I also do the long jump. I am quite tall for my age so it's easy for me. I speak English and French. Most people in Canada speak these two languages. At school I learn Spanish. I also like reading magazines, but I don't usually have time to read for fun. I always have lots of homework and I also have a part-time job after school because I need money. Most of my friends have part-time jobs, too. I work in a children's museum. There are lots of great things to see and do at the museum. What else can I tell you about Canada? Come and visit us!
