## Rodeo Drive

Taken from google

Rodeo Drive is a three-block street full of luxury stores located in Beverly Hills. The street has stores such as Channel, Prada and Dolce Gabbana. All these stores are expensive and you need some money to get one of their items. Once you are in Rodeo Drive you can see not just luxury stores, but you can also smell fashion. Not to mention that a lot of people are in their fancy cars. The majority of celebrities that buy their clothes and jewelry there have to make a reservation at stores so that they can get an appointment and buy what they want. Even if you don't have money to buy clothes and stuff in Rodeo Drive, you can window-shop so you can check the tendencies in fashion too.
