

HOW TO CARE OF THE ENVIRONMENT

We can be more eco-friendly by doing some simple actions. REMEMBER R-R-R!!!

REDUCE: Do I need something new?

👉 Sentence structure: I save/reduce... **by** verb+ing 👉

- ✓ I create less waste **by** **throwing** less things away.
- ✓ I reduce the use of **plastic** **by** **using** my own lunch box, my own water bottle instead of plastic bottles or clothe bags instead of plastic bags.
- ✓ I save **water** **by** **turning** off the water tap while brushing my teeth and having a short shower instead of a long bath.
- ✓ I save **energy** **by** **turning** off the lights and the electronic devices such as TV when I'm not **using** them.
- ✓ I reduce **air pollution** **by** **using** the bicycle or **walking** whenever is possible or **using** the public transportation.

REUSE: Can I use this in a different way?

- ✓ I give a new use to things I'm going to throw away.
- ✓ I donate my clothes that are in good condition, and I no longer use, so another child can reuse them.
- ✓ I reuse paper, carton boxes, plastic bottles turning it into a ... (use your imagination: egg cartons for art and crafts...)

RECYCLE:

- ✓ I separate plastic, paper, glass, organics and batteries in the corresponding garbage bins according to their colour to avoid contaminating the nature (rivers, seas, atmosphere...)
- ✓ I NEVER throw garbage on the street.
- ✓ I always collect my dog's waste when I go to the street / to the park.
