Operating technology

3 ☆☆ **Choose the correct alternative.**

1 It's never a good idea to *plug in/select* an electrical appliance with wet hands.

2 *Select/Insert* the eco mode if your clothes aren't really dirty.

3 If you *plug in/charge* your mobile overnight, make sure it isn't near your bed.

4 How can I *connect/swipe* these smart speakers to my mobile?

5 *Tap/Connect* your phone screen if you want to type.

6 *Turn/Press* the button for the train door to open.
