1. The dining room is looking a bit dreary and gloomy. Let's do it up with something more bright and cheerful.
2. This old farmhouse is a bit run down because the previous owners let it go, but with a bit of paint, it'll be fine.
3. That's a great job you're doing on the bathroom floor. Keep up the good work!
4. You need red and yellow and if you mix them up well, you should get a nice bright orange for the lounge that will go with the sofa
5. Can you come with me on Saturday to pick out which wallpaper we're having for the hallway?
6. The portrait over the fireplace would probably stand out more if the walls weren't such a strong colour.
7. Do you ever watch that TV show, where they take some old shed or barn and somehow turn it into the most amazing house?
8. A lemon colour would probably brighten up the kitchen
