DEWI RENGGANIS

Long long time ago, there was a small kingdom in Pananjung, Pangandaran, West Java. The kingdom was ruled by Anggalarang as the king and Dewi Siti Samboja as the queen. Anggalarang was kind and wise king while Dewi Siti Samboja was humble and beautiful queen.

The kingdom was situated in the bank of the seashore and very prosperous. Although Pananjung kingdom was small, it was very famous because of its developed trading. So there were a lot of merchant's ships and not excepted pirate's ships visited there. They wanted to dominate the kingdom and the king realized about that.

The king said: "my beloved people, I'm proud of you! We all must be united to defend our country. I heard that some pirates are trying to occupy our land. We may not surrender! We must fight hard till the last drop of our blood!"

One day Bajo cruel pirates attacked the palace, there was a big battle, the king's soldiers was lost and the king Anggalarang was killed by Kala Samudra, the chief of Bajo pirates. The pirates took over the Kingdom. Fortunately Dewi Siti Samboja could be saved by King's guard, Kidang Pananjung. They escaped to the mountain.

Dewi Samboja was very confuse, very angry and very sad. She thought hard how to take the country back. Dewi Siti Samboja: "Oh my beloved husband, don't worry! Believe me I must be able to take our country back. Believe me, my husband. I promise!" She prayed all day and all night.

God gave her a guidance that she had to disguise as a ronggeng dancer and changed her name become Dewi Rengganis. Soon she learnt Ronggeng dance to the villagers. She also asked to the youths to join her to chase Kala Samudra away from her kingdom. They practiced to defend themselves and the dance every night. "My brothers and Sisters, we should drive the pirates away. Here we learn the dance, and listen Kidang Pananjung, when one day we are dancing together with Kala Samudra, you should kill him." Said Dewi Rengganis gave command to her followers

Dewi Rengganis and her followers made a show from one village to other village and could reach the palace. The pirates were very interested with the dance, they invited them to perform in the palace. They all followed Dewi Rengganis' dance and not expected Kala Samudra, when he was dancing animatedly, Kidang Pananjung killed him. "Kala Samudra, take the punishment from me!" Kidang Pananjung stabled his weapon to Kala Samudra's heart. He died! Dewi Rengganis and her guards could get their kingdom back and finally they all lived happily ever after.
