

ZNAJOMOŚĆ ŚRODKÓW JĘZYKOWYCH Unit 5

Complete the text with the words in brackets. Add any necessary words. Do you agree with what the text says?

Humans gossip (1) (number / reasons). For example, they spread private information or negative comments (2)

(they / want / feel) better about themselves.

Sometimes the reason is to feel that you belong to a certain group (3)

(share) some secrets about other people. One way or another, gossiping is bad and never results from good intentions.

Zadania polegające na transformacji fragmentu zdania sprawdzają znajomość związków frazeologicznych, idiomów oraz zasad gramatyki języka angielskiego. Pamiętaj, że wszystkie podane odpowiedzi są gramatycznie poprawne, ale tylko jedna z nich ma to samo znaczenie, które zostało podane w zdaniu.

Decide which of the words in brackets can replace the underlined parts of sentences 1–4. More than one answer is possible.

1 I hate people who gossip.

- ☐ can't stand ☐ break up ☐ dislike ☐ look down on

2 We shouldn't gossip in order not to hurt people.
