- He bruised his head as he was getting out of the car.

- 5 ★★ Complete the chat with the correct form of the words and phrases in the box.

bruise ~~fall off~~ hit not break  
sprain trip over

< Back

Hey, Sam! I hear you <sup>1</sup> fell off your skateboard last week. Are you OK?

Not really. I <sup>2</sup> sprained my ankle badly.

It's a good thing that you <sup>3</sup> didn't break it!

Huh! This hurts more. I can't really walk on it. I <sup>4</sup> hit my shoes yesterday as well – they were lying on the floor and I didn't see them.

Oh, no. 😞

Yup. I <sup>5</sup> bruised my head on a cupboard and <sup>6</sup> hit my elbow too, so it's black and blue now.

You need to be more careful, my friend! 😊

### Explore it!

Guess the correct answer.

Both male and female /  
Only male / Only female  
mosquitoes bite humans.

Find another interesting fact about mosquitoes. Then send a question in an email to a classmate or ask them it in the next class.
