

DON'T SPEAK – NO DOUBT

You and me
We used to be
Every day together, always
I really feel
That I'm losing my best
I can't believe this could be the end

It looks as though you're go
And if it's real
Well, I don't want to know

Don't speak
I just what you're sayin'
So please stop explainin'
Don't tell me it hurts

Don't speak
I know what you're thinkin'
I don't your reasons
Don't tell me it hurts

Our memories
They be inviting
But some are altogether mighty frightening

As we die, both you and I
With my head in my I sit and cry

CHORUS

It's all ending
We gotta pretending who we are

You and me
I see us dyin'
Are we?

CHORUS X2

I you're good
I know you're good
I know you're real good, oh
