

## Descriptive Essay (First Draft)

Write a descriptive essay. Include the following;

- **Introduction:** Begin with an attention-grabbing hook to engage the reader. Provide some background information on the topic to set the context. ...
- **Body paragraphs:** Start each paragraph with a clear topic sentence that introduces the main point of the paragraph. ...
- **Conclusion:** Restate the thesis statement but rephrase it in a way that reinforces the main idea. ...
- Use figurative language, a variety of sentence types and correct grammar and punctuation.
- Use surprising words.
- Remember sensory details
