

Feedback Form (What's That Sound?)

Note: Choose any random 4-5 questions and write their answers

What was your favorite part of the project? Why?

Did you encounter any challenges during the project? How did you overcome them?

How did you feel about working in a group? What did you enjoy about it?

What suggestions do you have for improving this project?

Did you feel your ideas were heard and valued during the project? Why or why not?

How did the project make you feel? Did you feel excited, challenged, inspired, or something else?

What was the most surprising thing you learned during the project?

Which new project should we work on now?
