

# What Was I Made For?

Billie Eilish

I used to float, now I just fall <sup>1</sup>\_\_\_\_\_

Something I'm not, but something I can be

I used to know but I'm not sure now

Something I <sup>11</sup>\_\_\_\_\_ for

What I was <sup>2</sup>\_\_\_\_\_ for

Something I'm made for

What was I made for?

Something I'm <sup>12</sup>\_\_\_\_\_ for

Takin' a drive, I was an ideal

<sup>3</sup>\_\_\_\_\_ so alive, turns out I'm not real

Just something you <sup>4</sup>\_\_\_\_\_ for

What was I made for?

'Cause I, I

I don't know <sup>5</sup>\_\_\_\_\_ to feel

But I wanna try

I don't know how to feel

But <sup>6</sup>\_\_\_\_\_, I might

Someday, I might

When <sup>7</sup>\_\_\_\_\_ it end? All the enjoyment

I'm sad again, don't tell my boyfriend

It's not what he<sup>8</sup>\_\_\_\_\_ made for

What was I made for?

'Cause I, 'cause I

I don't know how to <sup>9</sup>\_\_\_\_\_

But I wanna try

I don't know how to feel

But someday I might

Someday I might

Think I <sup>10</sup>\_\_\_\_\_ how to be happy
