

## Animals in my aunt's farm

Hello, children. Welcome to my farm. There are many animals here: cows, ducks, hens, horses, sheep, geese and pigs. Look at the animals. Ducks and geese are swimming in the pond. Hens are looking for worms. Cows are chewing grass. Horses are galloping in the fields. Sheep are eating grass on the hill and goats are climbing the rocks.

### Choose the best answer.

- Ducks and geese are \_\_\_\_\_ in the pond.  
 looking for      chewing      galloping      swimming
- Hens are \_\_\_\_\_ for worms.  
 galloping      looking for      chewing      eating
- Cows are \_\_\_\_\_ grass.  
 eating      galloping      chewing      looking for
- Horses are \_\_\_\_\_ in the field.  
 eating      looking for      galloping      chewing
- Goats are \_\_\_\_\_ the rocks.  
 climbing      swimming      chewing      galloping
