E Sentence #

X Sentence #

T Sentence #

Sentence 1: Animals, birds, and fish often digest trash like plastic bags, bottle caps, and six-pack rings. Why not prevent this by recycling?

Sentence 2: In the second article, it states that 70% of steel cans and newspapers are recycled.

Sentence 3: This is great, but we can do more!

Sentence 4: Recycling should be adopted by the city of Gatesburg.
