

WORK EXPERIENCE

Dylan and Jake did a week of work experience last month. How was it? Read on!

Jake

I worked in a factory. My plan isn't to be a factory worker – I want to be an engineer. At first I was upset. I thought factory work was boring, but it wasn't boring at all. The factory makes special seats for planes and we tested them. It was very interesting! The factory opened at 7 am and closed at 5 pm. It was a long day! Often I was very busy and I didn't have much time for lunch! But I really enjoyed the work. I want to work there when I leave school.

Dylan

I want to be a photographer and I worked in a photography studio. The photographer worked a lot with families and babies. It was great fun. I took the bus to her studio in a town near my home. On the first two days, we got things ready in the studio. On the last three days, we took photographs of some babies and their parents. I helped with everything! Every day was different and I learned a lot about the business.
