**F** Read the email. Circle *True* or *False* for each statement.

Hi Paulo,

I hope you are OK. I was busy with school all month, so I couldn't write earlier. But, I'm writing to tell you some fantastic news!

Do you remember that I went to visit Solange in Rio last summer? I met all her family and we had the best time! Well, when I was there she met this guy, his name is Vitor. He's tall, he has a beard and he wants to be an actor; the type of boy that Solange likes! Well, the amazing news is that this summer they are going to get married, and she asked me to go to a party to celebrate.

Most of Solange's family live in Rio, but some of them live near me. Her cousin Sonia lives a few blocks away from me and we are going to travel together. Sonia wanted to take a bus, but I told her I prefer to fly. I don't mind traveling by bus in the winter when it's cooler, but we're going in January and it's going to be really hot! I can't stand traveling by bus in the heat, and the trip is 7 hours. The flight is more expensive, but it's a lot more comfortable. We want to arrive relaxed and ready to enjoy the party!

Sonia and I went shopping at the mall yesterday. I wanted to buy something to wear at the party, but I didn't find anything I liked. But I bought a gift for Solange - the most beautiful earrings and a necklace.

Write soon and tell me your news.

Laura
