

"I LOVE YOU" BY BILLIE EILISH

Task 1. Questions to think about

- 1 Are you **the type** of person that likes to laugh?
- 2 Can people **see right through** you?
- 3 When you say something wrong, can you **take it back**?
- 4 Do you sometimes say things you **don't mean**?
- 5 Have you ever been **up all night** worrying about something?
- 6 Would you mind taking a **red eye**? (Midnight flight to somewhere)

Task 2 - Listen and click the correct word

It's not **true/false**, tell me I've been lied to
Crying isn't like you Oh-oh-oh

How/What the hell did I do?

Never been the type to let someone see right through
Oh-oh-oh

Maybe/Perhaps won't you take it back
Say you were trying to make me **smile / laugh**
And nothing has to change **today / tonight**
You didn't mean to say "I love you"
I love you and I don't want to - Oh-oh-oh

Up all **night / day** on another red eye
I wish we never learned to fly - I-I-I

Maybe we **should/shall** just try
To tell ourselves a **big/good** lie
I didn't mean to make you cry - I-I-I

Maybe won't you **take/give** it back
Say you were trying to **have/make** me laugh
And **nothing/something** has to change today
We/You didn't mean to say "I love you"
I love you and I don't want to - Oh-oh-oh

The **smile/flower** that you gave me
Even when you felt like dying
We fall apart as it gets **dark / light**
I'm in your **arms/heart** in Central Park
There's nothing you **could/can** do or say
I can't escape the way, I love you
I don't want to, but I love you
