For example today, it is a really good day. It seems like a summer day, it is \_\_\_\_\_ and it is even \_\_\_\_\_ because it is 30 \_\_\_\_\_ outside. It is so strange to have in winter a \_\_\_\_\_!

But tomorrow there are going to be \_\_\_\_\_, they said there is going to be a really bad \_\_\_\_\_, it is especially a \_\_\_\_\_ storm with \_\_\_\_\_ and \_\_\_\_\_.

It is crazy because only one week ago we had a really bad \_\_\_\_\_ it was snowing for two days, and we were so \_\_\_\_\_.

All these changes are because of the \_\_\_\_\_.

It is horrible, because there could be \_\_\_\_\_ and \_\_\_\_\_ for one day to another and both of it is bad for vegetables and fruits, one because it is the land all dry and the other because it is wet.

It is amazing because I remember that in 2021 there was a \_\_\_\_\_ in La Palma and a lot of forest \_\_\_\_\_
