

## 1 Watch, listen and enjoy.

I know I gotta put in the hours,  
Make the money while the sunlight shines  
But anything I gotta get done,  
It can get done some other time

Time is love, gotta run,  
Love to hang longer,  
But I got someone who waits,  
Waits for me and right now

She's where I need to be,  
Time is love, gotta run

I only get so many minutes,  
Don't wanna spend 'em all on the clock  
In the time that we have

How many kisses have I (lost)?

Gotta fly  
Fly  
Before one more moment  
Gets by...

Time is love, gotta run,  
Love to hang longer,  
But I got someone who waits,  
Waits for me and right now

She's where I need to be,  
Time is love, gotta run

Time is love, gotta run,  
Love to hang longer,  
But I got someone who waits,  
Waits for me and right now

She's where I need to be,  
Time is love, gotta run...
