It's a Fact!

The gold color in the Jamaican flag represents the beautiful sunny weather in Jamaica.

Jamaica's Weather

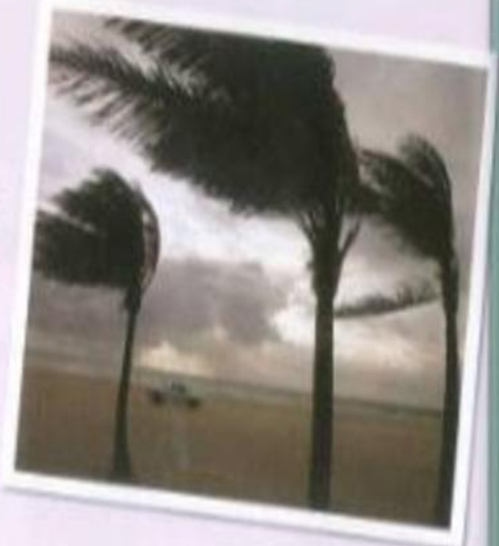

by Winston Marley

*Jamaica's weather,
Is great for us all!
Jamaica's weather,
Is great for us all!*

It's hot and it's sunny,
And sometimes it rains,
It can be very windy,
Watch out for hurricanes!

It's hot on the beach,
But it's fresh in the pool,
And up in the mountains,
It can be a bit cool!

*Jamaica's weather,
Is great for us all!
Jamaica's weather,
Is great for us all!*
