Student Status

Student Status is a dating website for college students. Read Victor's profile on the website.

My name's Victor and I'm 25 years old. I'm from Brasilia and I'm single. I'm majoring in business at Harvard University. It's really interesting and I love Boston. My mom and dad are English teachers for an online language school in Brazil – so my English is good. I want to work in Europe when I finish college – maybe at a travel company because traveling is my favorite thing to do.

People think that I'm a quiet person when I first meet them, but my best friends in Brasilia say that I'm very talkative! I don't like team sports very much, but I love running. I run with a running group from my school. The people in the group are really friendly, and we see new areas of Boston every week – Boston is a very beautiful city, but cold! I run most days, sometimes with the group and sometimes alone, and I try to eat lots of healthy food.

I live in a house with three other students. We go out to a restaurant together every Friday night. I enjoy trying new food and talking together. On the weekend, my three roommates like loud bars and clubs, but I prefer museums and cafés.

I have short black hair and brown eyes, and I'm slim because of all the running I do. Sometimes I have a beard, but I don't at the moment. I'm looking for a partner who is kind and funny. I'd like to meet someone who has the same interests as me.

Would you like to go on a date with me? If so, I'm waiting for your reply!
