

Todd Rundgren - "I Saw The Light"

It late last night
I was feeling something wasn't
There was not another soul in sight
Only you, only you

So we along
Though I that there was something wrong
And a feeling me, oh so strong
About you

Then you gazed up at me
And the was plain to
'Cause I saw the light
In your eyes, in your eyes

Though we our fling
I just never would suspect a
Till that little bell to ring
In my head, in my head

But I to run
Though I it wouldn't help me none
'Cause I couldn't ever no one
Or so I said

'Cause my feelings for you
..... just something I never knew
Till I saw the light
In your eyes, in your eyes

But I love you best
It's not that I say in jest
'Cause you're different, girl, from all the rest
In my eyes

And I out before
But I won't do it anymore
Can't you see the light in my eyes
In my eyes
In my eyes
In my eyes
