Busy house

Hello. I'm Peter. Our house is so busy today! Mum is cooking spaghetti in the kitchen. My baby brother is playing with his toy cars in the living room. My big sister is drawing cartoons in her bedroom. My dad is listening to music and making a poster for his job. My Grandma is growing plants in the garden. My Grandpa is washing his car outside. I am doing maths in my bedroom. I like Maths but my favourite subject is English.

1. What's his mum cooking?

2. What is his grandma doing?

3. What's Peter's favourite subject?
