Take me back to when I was young
How come I'm never able to specify / identify
Where it's coming from?
I'd make / made a candle out of it
If I ever found it

Try to sell it, better / never sell out of it
I'd probably only sell one
It'd be to my brother, cause we have the insane / same nose
Same clothes, home grown
The stone's throw / draw from a creek we used to roam

But it would remind us of when
Nothing / something really mattered
Out of student loans and tree house homes
We all would make / take the latter
