Read the following passage and answer all the questions.

The Young Mountaineer

A young mountain climber called Ana always wanted to climb the 15 highe mountains in the world. She is only 21 and now she's done it. She's the younge female climber to complete the challenge. Ana was born in the mountains of Franc Her parents were German, but before Ana was born they moved to a village ne Mont Blanc, the tallest mountain in Europe. As a child of five or six, Ana dreamed climbing it. At 13, she finally did it. She read about famous mountaineers in magazine, and started to dream of bigger mountains. 'I thought it would be fantastic challenge and a lot of fun,' she said.

Ana's father, a climbing instructor, went with her on 13 of the 15 mountain climb On one of the climbs she met her best friend, Silvia. This was while she was trainii on Mont Blanc. It's still the mountain she loves most. Silvia climbed two of th highest mountains with Ana, including the famous Mount Everest.

In 2014, she finished the challenge by climbing the final mountain, Mount Lhotse, Nepal. She was interviewed by the climbing magazine she always read as a teenage Ana said that she saw wild bears, snow leopards and mountain goats. While climbin she got an idea to start a charity to help the poor children who live there. She currently training to be a teacher, and wants to open a school near Mount Lhotse.
